This floral Liberty Bell has a wood and wire frame filled with moss in which a large variety of plants grow. The bell has a total of 5694 Alternanthera plants alone, while the posts are made up of Echeveria plants, and the corners of Achyranthes. Those directly under the bell are English Ivy. A total of over 20,000 plants were used in this rare and unique floral display. Designed and built by Jos. C. Michel, Supt. of Parks, Sandusky, Ohio.
